

“Break through the massive amount of noise by communicating and presenting your ideas, businesses, products, and services in compelling ways”

Presentations Categories:

As an entrepreneur, there are many types of presentations to prepare for, ranging from one minute to ten minutes. You need to be ready when pitching to investors or customers.

Keynote Lecture Notes:

Impact Question: What will you do differently as a result of what you’ve learned from this module?

Questions for you, the entrepreneur

1. Imagine that your laptop would not start and you need to present. Present without any slides and see what happens to your ability to present!
2. Record yourself on video for 5 minutes and watch it immediately afterwards. Are you showing enthusiasm?
3. How's the closing on your presentation? If you don't have a strong close, create one now!
